

POC 2018

17th Polymers and Organic Chemistry Conference

3-7 June 2018 – Palavas Les Flots - France

CALL of PAPERS

The deadline for submission of lectures and posters abstracts is **5 February 2018**

Topics

Phosphorus chemistry and polymers

Polymers for and from the sea

Polymers for energy

Smart and novel functional polymers

Supramolecular chemistry for polymers

Bio-inspired polymers for health

Bio-based polymers and their applications

Invited Speakers

Corneliu DAVIDESCU (University of Timisoara, Romania)

Kostas DEMADIS (University of Crete, Greece)

Filip DU PREZ (Ghent University, Belgium)

Jonathan GAGNON (Québec University, Canada)

Robert G. GILBERT (Queensland University, Australia)
